*...Until We Meet Again*  
Those special memories of you  
Will always bring a smile.  
If only we could have you back,  
For a little while.

Then we could sit and talk again,  
Just like we used to do.  
You always meant so much  
And always will do too.

The fact that you're no longer here  
Will always cause us pain,  
But you're forever in our hearts  
Until we meet again.
